## EC Certificate - Full Quality Assurance System No. 12 0670 QS/NB

The quality system of manufacturer

**Ritter Implants GmbH & Co. KG**  
**Freiburger Straße 45, 88400 Biberach, Germany**

has been certified as meeting the requirements of

**Directive 93/42/EEC**  
**on medical devices, Annex II excluding (4)**

for the following product category(ies):

**Dental implants, recovery accessories, dental drills**

The Notified Body No. 1023 declares that the aforementioned manufacturer has implemented a quality assurance system for design, manufacture and final inspection of the respective devices / device categories in accordance with MDD Annex II. This quality assurance system conforms to the requirements of this Directive and is subjected to periodical surveillance. For placing on the market of Class III devices covered by this certificate, an EC Design-Examination Certificate according to Annex II (Section 4) is required.

**Valid from:** 2021-05-18  
**Valid until:** 2024-05-27  
**First Issued:** 2012-08-20  
**Revision:** k
